Kristen,

No specific decision or strategy been adopted, but I believe that the intention is to address Bears Ears only in the interim report.

Jim-

Hope you are doing well.

I wanted to check with you on a rumor floating around. The Federal Register notice specified the comment period for Bears Ears was 15 days and the interim report to the President is expected at 45 days. Will the interim report include any other monuments or only Bears Ears?

Thanks so much,

Kristen
